

Dear Panel Member:

It has come to my attention that accessing the Cardone Report on fd.org is extremely difficult. If you want (and you should want) to read this excellent report which addressed the many issues and problems we face as federal criminal defense attorneys, here's the way to do it:

Step 1: Log in to fd.org. You need to create an account if you don't have one. At the top of the web page, there is a "log in " prompt. Click on that. Log in or create an account.

Step 2: Put in PADR Resources in search bar at the top of the webpage

Step 3: Click on link "PADR Resources"

Step 4: Click on "Committee Report"

Step 5: Enter this password exactly #MEM!@PAorg(fd)2/1!

You should be able to access the report from there.
